From: the Stewards**Date:** 24/05/2024**To:** All competitors, Race Director, Timekeeping**Time:** 16h05

The Stewards, having received a report from the Clerk of the Course, and having examined the video evidence, determine the following:

Session: RT2

Fact: There were road works on the RT2 road, and there was a small deviation in the itinerary.

Decision: To cancel the Secret Time Controls on RT2 after Page 11 box 24 of the Roadbook. To shorten the RT2 length to 13,78 km.

Reason: Having considered the matter extensively, the Stewards determined that there were some road works between the Page 11 box 24 and Page 12 box 25. As a consequence, the competitors had to take a small deviation and the distance couldn't be reset after that point. The Stewards consider that the secret controls after that point could not be taken in account since some of the competitors stopped in the road works, and the RT distance was modified due to the deviation. Consequently, the distance of RT is shortened to 13,78 km and the Secret Time Controls after that point are cancelled. The last valid Secret Time Control will be the n°12.
