

E-RALLYE ARDENNE ROADS

DECISION 20 posted at: 16h10

From: the Stewards

Date: 24/05/2024

To: All competitors, Race Director, Timekeeping

Time: 16h05

The Stewards, having received a report from the Clerk of the Course, **determine the following:**

Session: RT6

Fact: There were road works on the RT6 road, and there was a small deviation in the itinerary.

Decision: To cancel the Secret Time Controls on RT6 after Page 35 box 12 of the Roadbook. To shorten the RT6 length to 5,76 km.

Reason: Having considered the matter extensively, the Stewards determined that there were some road works between the Page 35 box 12 and Page 36 box 13. As a consequence, the competitors could not follow the roadbook and had to go straight in Page 35 box 12 and reach Page 36 box 13 from another road. Consequently, the distance of the itinerary would be completely different from that point. The distance couldn't be reset after that point. The Stewards consider that the secret controls after that point could not be taken in account. Consequently, the distance of RT is shortened to 5,76 km and the Secret Time Controls after that point are cancelled. The last valid Secret Time Control will be the n°9 (km 5,323).
